01 Kia Rio Engine Diagram

Hi everyone! I have a 2007 Kia Optima EX with a V6 engine. Recently when you open any of the 4 doors the dome light does not go on. If you push the switch to "on" manually, the dome light comes off, push "off" and it goes off but with the switch pressed for "door" the light does not come on for any of the 4 doors.

Dome light not working when doors open. - Kia Forum
