I have a 2004 Mazda rx8 just bought new batt new starter new plugs wires coils crank sencor and my car still is not firing on none of the coils my anti theft light flashes all the time til I turn the key to on position.

can someone help me with advice on my rx8 engine not starting

Once upon a time we had a choice of chambered versus straight through Miata exhaust designs and there was much to consider. But all the popular Miata exhaust choices today are straight through smooth perforated core designs to maximize power gains and the choice among these now comes down to YOUR personal preference in sound level.
