

A Linguistic Theory Of Translation

The strongest form of the theory is linguistic determinism, which holds that language entirely determines the range of cognitive processes. The hypothesis of linguistic determinism is now generally agreed to be false.

In this online module, you'll explore different approaches to translation and develop an understanding of the links between theory and practice.

L801 | Introduction to Translation Theory and Practice

The Directorate-General for Translation translates texts for the European Commission into and out of the EU's 24 official languages, and a few others when needed.

Translation | European Commission

Translation is the communication of the meaning of a source-language text by means of an equivalent target-language text. The English language draws a terminological distinction (not all languages do) between translating (a written text) and interpreting (oral or sign-language communication between users of different languages); under this ...

Ms. Leonardi was born in Rome. She has lived and studied in England for the past six years. Between 1994-1998 she undertook a course at Coventry University and obtained a BA (Hons) in Modern Languages, then between 1998-1999 she undertook a MSc in Translation Studies at UMIST (Manchester).

Equivalence in Translation

A whole industry of pundits and therapists has grown up around this one grossly inaccurate statement. A casual search of the Web turns up more than a million references to this spurious proverb.

danger + opportunity ≠ crisis - Pinyin

Linguistic relativity can tell us about our perceptions of reality and the relationship between language and the way we think

Relatively speaking: do our words influence how we think ...

Weinreich was the impetus behind an impressive series of academic publications in Yiddish both before and after the founding of YIVO, beginning with Yidishe filologye (1924) and followed by the three volumes of Filologishe shriftn, which were published by the Linguistic Section of YIVO, and the numerous volumes of Historishe shriftn, published ...
