The B.S. in Engineering Technology prepares graduates for a variety of engineering associated positions with industry. Program Requirements. In addition to the university's general requirements, students seeking the B.S. in Engineering Technology must meet the requirements listed below.

Engineering Technology - Undergraduate Catalog ...

CPUT is the only university of Technology in the Western Cape, and the largest university in the province.

Clothing and Textile Technology - CPUT

The knowledge economy is the use of knowledge (savoir, savoir-faire, savoir-être) to generate tangible and intangible values. Technology, and in particular, knowledge technology, helps to incorporate part of human knowledge into machines. This knowledge can be used by decision support systems in various fields to generate economic value.

BME 612. Engineering Aspects of Molecular and Cellular Bio 2. 1 credit, 1 contact hour. Molecular and cellular biology is a foundation of the understanding of the biological sciences and is vital to the study of advanced biomedical engineering.

Newark College of Engineering < New Jersey Institute of ...

Find information about our Full Time Engineering & Technology and courses available at Conestoga College in Ontario, one of Canada's leading centres for advanced learning.

Mechanical Engineering Technician - Automated ...

Welcome to ISO 9000 Resources, the source for cost-effective battle-tested quality system information. Our experienced staff of consultants has taken the guess work out of ISO 9001 development by developing a full range of ISO 9001 products.

ISO 9000 Certification, ISO 9001 Training, ISO Quality ...

Design for lifetime performance and reliability: Advanced engineering design Lifetime performance and reliability This book contains 472 pages in fullcolor and over 250 illustrations, 300 formulae, 100 case studies and design examples, 50 easy calculators and 50 photographs of machine element failures.

Tribology: Machine Reliability and Performance

Informative and interesting videos about Caltrans' latest efforts to provide a safe, sustainable, integrated and efficient transportation system to enhance California's economy and livability.

Highway Design Manual - Caltrans

BCIT offers a Diploma in Mechanical Engineering Technology, Mechanical Design Option. This is a two year full-time program in Mechanical Design that concentrates on providing comprehensive engineering skills.

BCIT : : Mechanical Engineering Technology (Mechanical ...

The Gateway to Up-To-Date Information on Integrated 'Whole Building' Design Techniques and Technologies. The goal of 'Whole Building' Design is to create a successful high-performance building by applying an integrated design and team approach to the project during the planning and programming phases.

WBDG | WBDG - Whole Building Design Guide

Back to top. 5.2 Approaches to Cost Estimation Cost estimating is one of the most important steps in project management. A cost estimate establishes the base line of the project cost at different stages of development of the project.
