you're welcome. btw, i purchased another r1200gs -a 2017 rallye- with the funds that i received from the buyback to replace the 2016 gs and the 2017 rear brakes failed within 2500 miles. i really like the gs and i hope bmw resolves this issue soon -before the warranty expires. if not, bmw will likely buy back the 2017 as well.
