In some cases the old king of the conquered kingdom depended on his lords. 16th century France, or in other words France as it was at the time of writing of The Prince, is given by Machiavelli as an example of such a kingdom.

The Prince - Wikipedia

A mixed economy is variously defined as an economic system blending elements of market economies with elements of planned economies, free markets with state interventionism, or private enterprise with public enterprise. There is no single definition of a mixed economy, but rather two major definitions.

Mixed economy - Wikipedia
