Where is the LEARN NC Content? Most of the LEARN NC Content has been archived using the Wayback Machine. Instructions for how to access that content is below, including links to frequently requested materials.

LEARN NC has been archived - soe.unc.edu

Abstract. Access to general schools for people with disabilities is an advance in the history of education. However, barriers to learning and participation hinder the school routine of inclusive students, hence the need for resources - human, tangible, political etc. - from the schools and their communities.

Barriers and resources to learning and participation of ...

Podcasting is a wonderful way of allowing children to share their work and experiences with a potentially huge audience over the Internet. Schools are increasingly using the internet to promote what they do, and to celebrate the achievements of their children, and podcasting is an excellent way of doing this.
