PRISMA® System An integrated system for continuous fluid management, renal replacement therapies and therapeutic plasma exchange Operator's Manual

PRISMA System - CRROnline

Gambro is one of only three companies in the world to manufacturer filters for dialysis machines, producing tens of thousands of units per day in its Alabama plant. Any disruption in the sophisticated and automated manufacturing process can result in an eight- to 10-hour clean-up and restart process — an unacceptable delay for patients requiring this life-saving device.
