

Manual Transmission Oil

A manual transmission, also known as a manual gearbox, a standard transmission or colloquially in some countries (e.g. the United States) as a stick shift, is a type of transmission used in motor vehicle applications.

Manual transmission - Wikipedia

Similar to what we discussed in our Automatic Transmission Fluid 101 post, selecting the right gear oil for your manual transmission isn't as easy as it might seem. There are dozens of different types of gear oils, each with its own special designation and use, so we created this handy primer (oil
