

Metaphors Middle School Sentence Unscramble

Metaphors are words or phrases that describe a person or object by referring to something that has similar characteristics, such as The assignment was a breeze.

Metaphor Words List - Metaphor Practice ...

Although students may be able to use hyperbole in their day-to-day speech, teachers should still create and implement hyperbole practice lessons to help students develop a greater understanding of the figurative language concept.

List of Hyperbole - Hyperboles Practice

analogy compares two things that are mostly different from each other but have some traits in common. By showing a connection between two different things, writers help to explain something important about one thing by using a second thing you already know about.

Analogy Examples for Kids - examples.yourdictionary.com

Take similes and metaphors - two of the most popular forms of figurative language. Similes make comparisons using the words "like" or "as." For example, "He was fierce as a lion."

Figurative Language - grammar.yourdictionary.com

At its most basic, an analogy is a comparison of two things to show their similarities. Sometimes the things being compared are quite similar, but other times they could be very different.
