Computer Science and ICT qualifications - OCR

We have recently started teaching OCR's Entry Level Computing qualification at our school to year 9. In response to there being very limited resources, my department and I wrote a simple text book to accompany the course specification. Please note that these resources are NOT endorsed by OCR for the course in anyway and you should obviously ensure you adhere to OCR's requirements for the ...

Entry Level Computing Text Book by mk1446 | Teaching Resources

Providing you with all the information you need to help you transition from an existing OCR qualification to a reformed qualification or to move from another exam board to OCR. First Teaching These events will provide you with all the information you need to first teach the qualification, covering Schemes of Work, lesson planning and classroom delivery.

OCR CPD Hub - your route to OCR's teacher training

Contains brief outline of lessons (although this is geared to me so might not make much sense to anyone else!), powerpoint with links to videos, and pupil worksheets and wordsearch. Aimed at SEN students completing the OCR entry level science course. C...
