

### **Principles Of Engineering Economic Analysis**

Principles of Engineering Economic Analysis, 6th edition teaches engineers to properly and methodically evaluate their work on an economic basis, and to convey it effectively to those who have the power to say "yea" or "nay." The 6th edition is updated and expanded to be comprehensive and flexible - it includes all standard topics plus stronger coverage of more advanced analysis techniques than other books, with the most thorough integration and guidance for spreadsheet use. The text ...
