Comment by Hinalover At least for the monk campaign, the 12 hour missions at the end of the quest chain requires followers to be level 108. The followers you get just before are 109 which does help but if you need other followers, they may not be leveled up high enough for those quests.

Comment by mako123 This tabard is obtained by Blood Elf Paladins upon the completion of their Charger quest (True Masters of the Light). A little added bonus for the new blood elf paladins, shame the alliance don't get a tabard of the silver hand or something like that.

NOTES Getting Ragebringer Before Level 50 Generally speaking, the epic quests were designed to be done by characters who were level 50+; in almost all cases, you have to be level 46 or higher to do the quest at all, since for some quests, there are NODROP pieces that come from the Planes (and you have to be 46+ to even zone into the Planes).
