Vampire University (Book One in the Vampire University ...

By VJ Erickson Rated 5.00 / 5 based on 1 reviews While trying to adjust to her new life on campus, she finds herself in a world where fairy tales and reality collide, where gargoyles and leprechauns mingle with humans and vampires, and where nothing is as it first appears.

Smashwords - Vampire University (Book One in the Vampire ...

A military brat as a child, VJ Erickson has lived across the country, from Washington state to South Carolina and many places between. He spent a number of his elementary and middle school years riding his bike and playing make-believe in the woods of a small village in Germany and now still feels the itch to travel abroad.

Vampire University (Book One in the Vampire University ...

Constantly moving as she grew up, Taylor had learned the hard way how to blend in wherever she went. But when she moves to VanCamp University for her freshman year of college, she immediately finds herself at the center of attention of nearly everyone she encounters.

Vampire University (Book One in the Vampire University ...

review 1: I'll admit that this book intrigued me. The concept of a vampire heavy university caught my eye and I knew I had to read it. This book speaks about many different paranormal beings (Vamps, druids, leprechauns, gargoyles to name a few) in the context of your every day university student.
